Richmond Redeemed Richard Sommers, 2014-10-19 Richmond Redeemed pioneered study of Civil War Petersburg. The original (and long out of print) award-winning 1981 edition conveyed an epic narrative of crucial military operations in early autumn 1864 that had gone unrecognized for more than 100 years. Readers will rejoice that Richard J. Sommers's masterpiece, in a revised Sesquicentennial edition, is once again available. This monumental study focuses on Grant's Fifth Offensive (September 29 to October 2, 1864), primarily the Battles of Chaffin's Bluff (Fort Harrison) and Poplar Spring Church (Peebles' Farm). The Union attack north of the James River at Chaffin's Bluff broke through Richmond's defenses and gave Federals their greatest opportunity to capture the Confederate capital. The corresponding fighting outside Petersburg at Poplar Spring Church so threatened Southern supply lines that General Lee considered abandoning his Petersburg rail center six months before actually doing so. Yet hard fighting and skillful generalship saved both cities. This book provides thrilling narrative of opportunities gained and lost, of courageous attack and desperate defense, of incredible bravery by Union and Confederate soldiers from 28 states, Maine to Texas. Fierce fighting by four Black brigades earned their soldiers thirteen Medals of Honor and marked Chaffin's Bluff as the biggest, bloodiest battle for Blacks in the whole Civil War. In addition to his focused tactical lens, Dr. Sommers offers rich analysis of the generalship of Ulysses S. Grant, Robert E. Lee, and their senior subordinates, Benjamin Butler, George G. Meade, Richard S. Ewell, and A. P. Hill. The richly layered prose of *Richmond Redeemed*, undergirded by thousands of manuscript and printed primary accounts from more than 100 archives, has been enhanced for this Sesquicentennial Edition with new research, new writing, and most of all new thinking. Teaching future strategic leaders of American and allied armed forces in the Army War College, conversing with fellow Civil War scholars, addressing Civil War audiences across the nation, and reflecting on prior assessments over the last 33 years have stimulated in the author new perspectives and new insights. He has interwoven them throughout the book. His new analysis brings new dimensions to this new edition. Dr. Sommers was widely praised for his achievement. In addition to being a selection of the History Book Club, the National Historical Society awarded him the Bell Wiley Prize as the best Civil War book for 1981-82. Reviewers hailed it as "a book that still towers among Civil War campaign studies" and "a model tactical study [that] takes on deeper meaning . . . without sacrificing the human drama and horror of combat." Complete with maps, photos, a full bibliography, and index, *Richmond Redeemed* is modeled for a new generation of readers, enthusiasts, and Civil War buffs and scholars, all of whom will welcome and benefit from exploring how, 150 years ago, Richmond was redeemed.

Historical Linguistics and Biblical Hebrew Robert Rezetko, Ian Young, 2014-12-15 !DOCTYPE HTML PUBLIC "-//W3C//DTD HTML 4.0 Transitional//EN html meta content=text/html; charset=ISO-8859-1 http-equiv=content-type body A philologically robust approach to the history of ancient Hebrew In this book the authors work toward constructing an approach to the history of ancient Hebrew that overcomes the chasm of academic specialization. The authors illustrate how cross-textual variable analysis and variation analysis advance research on Biblical Hebrew and correct theories based on extra-linguistic assumptions, intuitions, and ideologies by focusing on variation of forms/uses in the Masoretic text and variation between the Masoretic text and other textual traditions. Features: A unique approach that examines the nature of the sources and the description of their language together Extensive bibliography for further research Tables of linguistic variables and parallels

Unveiling the Magic of Words: A Overview of "**456**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**456**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
