Book of Revelations 831 Driftwood Neiderman, 2015-01-06 *Book of Revelations 831* follows the main character - and author - "Driftwood Neiderman" through his many scandalous, raunchy, and thought-provoking relationships. Each true story concludes with a personal revelation about himself, and his counterpart. Filled with unbelievable true stories, these memoirs are X-rated, entertaining, and certainly engaging, a combination that will keep readers hanging on to the edge of their comfy sofas. Says the author, "The main character of this book is myself, Driftwood Neiderman. Set in present day, I detail the fiascos that I would call my dating life. I do, however, attempt to wrap each dumpster fire of a relationship up in a nice bow at the end." At one point, he even asks, "What is love?" His answer? "Maybe it's easier to answer this question by examining another question first, what love is not? Love is not monogamy. Love is not perfect. Love is not painless and love is not easy." Of course, this is not one of the X-rated parts of the book! *Revelations* is a revelation.

Finding Charity's Folk Jessica Millward, 2015-12-15 *Finding Charity's Folk* highlights the experiences of enslaved Maryland women who negotiated for their own freedom, many of whom have been largely lost to historical records. Based on more than fifteen hundred manumission records and numerous manuscript documents from a diversity of archives, Jessica Millward skillfully brings together African American social and gender history to provide a new means of using biography as a historical genre. Millward opens with a striking discussion about how researching the life of a single enslaved woman, Charity Folks, transforms our understanding of slavery and freedom in Revolutionary America. For African American women such as Folks, freedom, like enslavement, was tied to a bondswoman's reproductive capacities. Their offspring were used to perpetuate the slave economy. Finding loopholes in the law meant that enslaved women could give birth to and raise free children. For Millward, Folks demonstrates the fluidity of the boundaries between slavery and freedom, which was due largely to the gendered space occupied by enslaved women. The gendering of freedom influenced notions of liberty, equality, and race in what became the new nation and had profound implications for African American women's future interactions with the state.
